  - b. Visitors can not get their mail at the carehome
  - c. Or in any other way act as if they are residing in the carehome

### Conduct expectation

3. I agree not to interfere with staff performance of their job
4. I Understand that the staff is not here to assist me
5. I understand there is a charge for having meals in the home
6. I understand that the care home will press charges for illegal activity that I do or learned about to the full extent of the law.
7. I understand any violation of this policy will get me band
8. I agree not to go to any restricted areas
9. I agree not to go in the kitchen
10. I understand that any removal of food by non-residents is considered theft and will be prosecuted
11. I understand If I am found to be in common areas of the house where other residents are present without my friend, I will be asked to leave until I provide the home with a criminal record clearance which I will have done at my cost.
12. I agree not to go into private bedrooms of other clients even if I have their permission.
13. I understand that the care home and Community Care Licensing requires fingerprints of anybody wandering through the house and this includes a

handy man who walks through the house looking for things to repair. I understand that if I am friends with more than one resident, I agree to provide them with clean criminal record clearance prior to any overnight visit even if I stayed overnight here in the past.

14. I understand that any access of restricted areas by non-resident is trespass.

15. I understand that All Visitors are expected to Sign-In

I understand what is listed above and the expectation I must follow.
